

How to Smile Today

Lyrics and Music by Matthew Kiamie June 2, 2020

Giving is living and hopes and beginnings
So let's show each other how to smile today

Early in the morning, it was another rainy night
So much misunderstanding
But one thing I know, from the bottom of my heart
We gotta love one another, for there to be a start
We are all, sisters and brothers, in one big family, humanity

Giving is living and hopes and beginnings
Let's make a brighter new day
Loving and caring for sisters and brothers
Let's show each other how to smile today

Everyday people, in the front lines, in these times
Everyday people, work selfless acts with love in mind
Let's put our arms around each other, bring fun to ones who need
We are stronger together, as one we'll succeed
Taking care others, respectfully, responsibly
Heroes work here, we loudly thank thee, proudly thank thee

Giving is living and hopes and beginnings
Let's make a brighter new day
Loving and caring for sisters and brothers
Let's show each other how to smile today

Let's make a brighter new day..... Let's let the sunshine all day
Let's join hands and prayTogether we all can say

Giving is living and hopes and beginnings
Giving is living and hopes and beginnings
Let's make a brighter new day
Loving and caring for sisters and brothers
Let's show each other
How to smile today
